PIONEER PUMP

PERFORMANCE THROUGH INNOVATION™

www.hbsmpump.com

HidupBaru Sukses Mandiri

DEPLOYMENT / APPLICATIONS

■ Solids Handling

Conquer dirty water applications with solid handling up to 76mm and up to SG 1.05.

■ Clear Liquids

Excels in clear water applications with exceptional efficiency and high productivity.

■ Electrical Motor Package

Electrifying performance through innovation! HBSM also provides the motors, panels and accessories to get your most efficient pumping started with Pioneer Pump.

■ Mining Skid Package

Designed to endure, designed for success! Custom-built heavy duty mining skid with various engine selections.

■ Main Pump Mining Package

Stay afloat in the dewatering game! Tailor-made engineering solutions to solve your dewatering challenges.

■ Stackable Sound -Attenuated Package

Keep the noise down while keeping the flow up! Modular, stackable large pump packages with low noise emissions.

■ Sound-Attenuated Trailer Package

Get into tight spaces quickly and start pumping! Rapid deployment sound attenuated dewatering solutions on wheels.

■ Trailer Mounted Package

Hook it up to an LV and deploy in minutes! Economic open-type, rapid deployment package.
